Product discontinuation notice: CP7 - Control Panel 7" - Automation Control

Dear valued customer,

We would like to inform you that Kongsberg Maritime is announcing the CP7 – Control Panel 7" has entered the Obsolete phase of its product life cycle.

The CP7 panel PC was introduced in 2015 and delivered until 2024. Due to the limited or non-existent availability of key components required for manufacturing spare parts, Kongsberg Maritime is no longer able to fully support this product with spare parts or related services.

Affected systems:

- K-steering 600 Control panel
- K-chief 600 Control panel
- Autochief 600 Control panel

We understand that product obsolescence can present challenges for your operations. To support continued reliability and minimize downtime, Kongsberg Maritime has developed replacement solutions based on modern technology.

Solution:

Upgrade panel PC to latest KM computer with touchscreen panel

Please contact KM Customer Support for more information on either mail:
