# Quality Policy

Kongsberg Maritime is a customer focused business organisation providing advanced innovative solutions for efficient, reliable, and sustainable high performance under extreme conditions.

Our vision is **World Class** – through people, technology, and dedication.

***Kongsberg Maritime's goal is to maximize Customer value and performance.***

We achieve our vision and goals through:

- **Priority** – We apply a risk-based approach when setting our priorities.
- **Commitment** – We understand our Customers' needs and provide quality solutions, products and services to achieve customer satisfaction. We comply with customer, applicable statutory and regulatory requirements.
- **Leadership** – Our managers are Quality Assurance Responsible, ensuring quality performance and delivery of our solutions, products, and services. They set ambitious objectives and maintain necessary certifications.
- **Quality Culture** – We continually strive for a world class performance culture. If quality is compromised, everybody has stop work authority. Our employees are Quality Control Responsible, contributing to the continuous improvement of our solutions, products, and services through the whole value chain.
- **Collaboration** - We systematically maintain and continuously improve our governance with our key stakeholders, including suppliers and core processes to ensure we operate effectively, efficiently and in line with our business objectives and expectations.
- **Quality Performance** – We communicate quality issues, share best practices and lesson learnt to improve our performance.
- **Competence** – We provide training and support, to ensure all employees strengthen their knowledge and experience to improve the way we work globally.
