# SPR - SAFER PENNANT RECEIVER

## KONGSBERG DECK MACHINERY

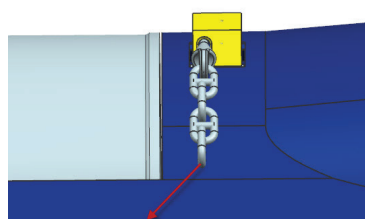

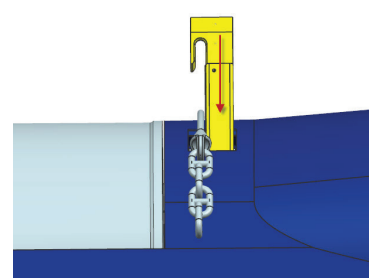

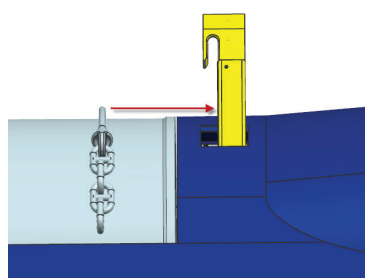

### SPR - Safer Pennant Receiver

#### SAFER PENNANT RECEIVER (PATENT PENDING)

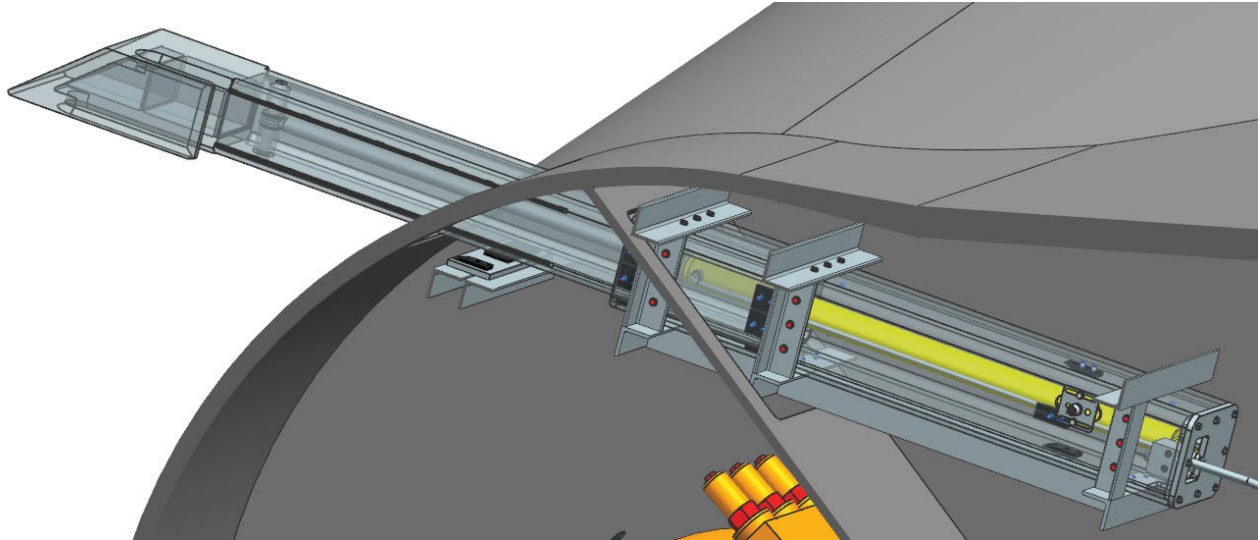

Initiative to make each day safer onboard a Offshore Support Vessel/AHT. Kongsberg Maritime always endeavour to develop safer deck solutions onboard Offshore Support Vessels which can make a safer life for the crew on deck.

#### SPR - SAFER PENNANT RECEIVER

- Catch and secure pennant wire
- Remote Operated from Bridge
- AB's no longer in exposed zone during PCP receiving from a rig. The Safer Pennant Receiver will take the weight of the PCP (incl. chaser collar/chain), and the crane can pass the light weight of the lifting sling at the tow pin area. A far more safe place to work for the AB's
- Easy to install onboard vessels in operation

## TYPICAL INSTALLATION ONBOARD
