

# SUPPORT LIMITATIONS

KONGSBERG

Kongsberg Maritime aims to provide support to current and previous generations of products. However, the availability of key components is a limiting factor for support over time. Based on this, we have to reduce the support for the products listed in this document.

The given dates are last dates for the service category. The system sales for these units are stopped.

<b>HiPAP 350/450/ 500 (MkI) system</b>	<b>Repair at KM facility until (date)</b>	<b>Sale of spare parts to customer until (date)</b>	<b>Sale of new units until (date)</b>
