

MIDDLE BLOCK DAVIT

KONGSBERG

Patent no. NO 341692 B1

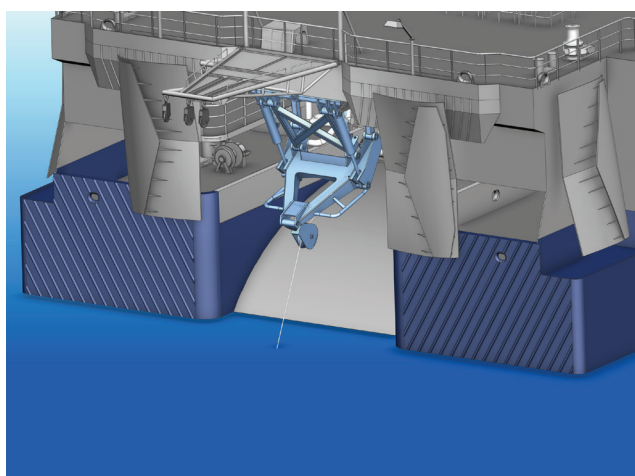

KONGSBERG MARITIME DECK MACHINERY

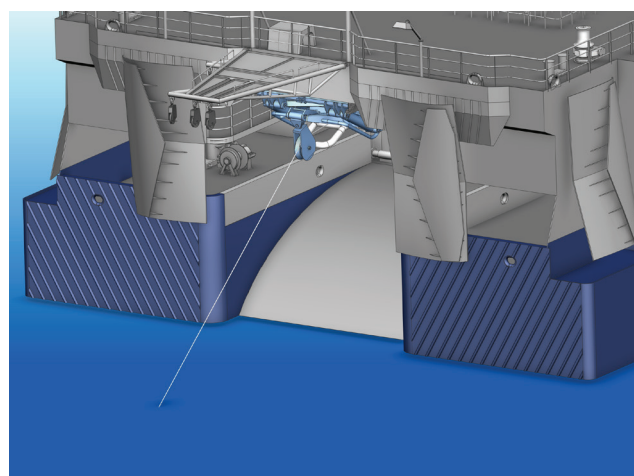

Middle Block Davit

Description

- Lower the trawl block for the center winch in order to keep wire close to vessel. This helps avoiding ice damage on wire when trawling in arctic area and increases stability.
- WLL 58 Te
- No height steps: wire height can be adjusted to any value between the highest and lowest position.
- Retro fit possible on most ship designs.

Deployed in low towing position

Deployed in high towing position
