

KONGSBERG

QUESTIONS FROM A SHAREHOLDER TO THE ANNUAL GENERAL MEETING OF KONGSBERG GRUPPEN ASA ON 26 APRIL 2017

A shareholder has asked that the company clarify the questions below on the company's Annual General Meeting.

Global Challenges:

The shareholder ask the Group to give the Annual General Meeting a brief on what specific measures are implemented to cater to the “business as usual is not an alternative” statement from 2010 and until today.

Climate risk:

The shareholder ask the Group to give the Annual General Meeting a brief on how the Group is considering the climate risk and what specific measures that are implemented or planned.

Climate targets:

Shareholder ask the Group to give the Annual General Meeting a briefing on what specific measures that are implemented or scheduled to be implemented to reduce CO2 emissions from internal operations, so that the targets for 2020 is reached.

The Board's response

The company will give an account of the foregoing questions during Item 3 on the agenda.
