KJETIL REITEN MYHRA

Executive Vice President Integrated Defence Systems, Kongsberg Defence & Aerospace AS

Kjetil Reiten Myhra is the Executive Vice President of Integrated Defence Systems for Kongsberg Defence & Aerospace AS, a business area within Kongsberg Gruppen ASA (KONGSBERG).

Kongsberg Defence & Aerospace is Norway's premier supplier of defence and aerospace-related systems and solutions. The company is a leading supplier of defence products and systems for command and control, surveillance, space, tactical communications, remote weapon stations and missiles systems. Kongsberg Defence & Aerospace also has extensive capabilities within advanced composite manufacturing and maintenance, repair and overhaul within the aircraft and helicopter market.

Prior to his assignments, Myhra was the Director of Engineering and Technology in the Integrated Defence Systems division, Kongsberg Defence & Aerospace. In this role, he was responsible for the development of Air Defence Systems, Integrated Naval Combat Systems, air- and land based C4ISR, and Ninox Remote Tower programs.

Since joining KONGSBERG in 1997, Myhra has held different positions of increasing responsibility; including Software Development, Systems Engineering and several Projects and Departmental Management positions. He has held key positions in large international and technology development programs such as NATO AWACS and Ninox Remote Towers.

Myhra is Chairman of the Board of Directors for Kongsberg Geospatial Ltd located in Canada and 100% owned by KONGSBERG. Chairman of the Board of Directors of kta naval systems AS, located in Norway and Germany were KONGSBERG owns 50%. He is also Chairman of the Board for Kongsberg Defence Australia Pty. Ltd.

Myhra holds a Bachelor's degree in Computer Science.
