

KONGSBERG

PAMELA F. WILLGOHS

Executive Vice President Marketing & Sales,
Kongsberg Defence & Aerospace AS

Pamela F. Willgohs is the Executive Vice President of Marketing & Sales for Kongsberg Defence & Aerospace, a business area within Kongsberg Gruppen ASA (KONGSBERG).

Kongsberg Defence & Aerospace is Norway's premier supplier of defence and aerospace-related systems and solutions. The company is a leading supplier of defence products and systems for command and control, surveillance, space, tactical communications, remote weapon stations and missiles systems. Kongsberg Defence & Aerospace also has extensive capabilities within advanced composite manufacturing and maintenance, repair and overhaul within the aircraft and helicopter market.

Since joining KONGSBERG in 2003, Willgohs has worked in a variety of roles across the organization. After an initial start in the simulation and training business, she has worked in marketing and sales within C4ISR, air defence, Remote Weapon Stations and most recently as the lead of the Medium Caliber Turret Division within Protech Systems. In her current position, Willgohs is supporting strategic initiatives across the divisions within Kongsberg Defence & Aerospace.

Willgohs began her career as a Human Factors Engineer with the Hughes Aircraft Company, and later working International Programs for Motorola Government Systems. In addition to her extensive experience in international marketing and sales, Willgohs has years of experience in working directly with military leadership, soldiers and the acquisition organizations world-wide.

Willgohs was born and raised in Minnesota, USA. In 1990, she graduated with honors from Hamline University, USA, with a BA in Psychology.

KONGSBERG (OSE-ticker: KOG) is an international, leading global technology corporation delivering mission-critical systems and solutions with extreme performance for customers that operate under extremely challenging conditions. We work with nations, businesses and research environments to push the boundaries of technology development in industries such as space, offshore and energy, merchant marine, defence and aerospace, and more. KONGSBERG has about 11,000 employees located in more than 40 countries, creating a total revenue of NOK 25.6bn in 2020.
