Subject: Product sales stop notice – C20 Bridge Watch Monitoring System

Dear valued customer,

The intent of this letter is to inform you of the Kongsberg Maritime decision to stop all sales of Bridge Navigation Watch Alarm Systems.

The product has been delivered since 1993 and the latest product in sale has been the C20 BWMS (Bridge Watch Monitoring System).

According to Kongsberg Maritime life cycle management policy, C20 BWMS is now transferred into Standard Maintenance phase. This implies that corrective software maintenance and hardware spares will be supported for 10 years (or more) for existing installations.

Please contact Customer Support for more information on either mail: km.support@kongsberg.com or phone: +47 33032407.

Yours faithfully
