

Last Time Buy Notification EK80 Portable

KONGSBERG

Last Time Buy

Kongsberg aims to provide support for current and previous generation of products. However, the availability of key components is limiting factors for support over time. Kongsberg has therefore decided to phase out the EK80 Portable and, as a preparation, is now publishing a Last Time Buy notification for the following:

EK80 Portable, item no. 428741

The Last Time Buy is not limited by a date, but orders will be confirmed and delivered while inventory remains.

For details or a quote, please contact sales.

- Email address: kd.sales@kd.kongsberg.com

Proposed alternative

WBT Mini

- Item no.: 417774

The WBT Mini is splash proof, and together with a standard computer at the customer's choice, you will have a scientific echo sounder system.
