- § 19 Test for verification of professional competence engineer officer, STCW rule III/1, III/2, III/3, Table A-III/1 and A-III/

### Kongsberg Maritime AS approved locations:

Horten Strandpromenaden, Kongsberg Carpus, Trondheim Grilstad, Singapore, Rio de Janeiro, Aberdeen, Houston

Documentary evidence on passed course are issued according to the course centre's own template, with correct references to the covered regulations, sections and tables of the STCW Convention, as amended, in both Norwegian and English. The course certificate shall also include a reference to the applicable letter of approval.

Kongsberg Maritime AS must ensure electronic reporting of successfully completed training to the Norwegian Maritime Authority, in accordance with section 17 of the Regulations and the provider's procedure for reporting, reporting is done on the webpage: " Registrering av sjøfolk sine kvalifikasjoner"

Approval is granted on the condition that courses are completed as described in the institution's quality management system and in accordance with the current version of the approved course plan/syllabus. Changes in the institution's operations, course offerings or other significant changes in the institution's organizational structure or any of its units, which affect this approval, must be reported to the Norwegian Maritime Authority.

## Right to appeal

Please note that individual decisions made by the Norwegian Maritime Authority may be appealed to the Ministry of Trade, Industry and Fisheries pursuant to § 28 of the Public Administration Act. Appeals must be lodged within three weeks with the Norwegian Maritime Authority. Also note that parties are entitled to acquaint themselves with the document in the case pursuant to § 18 of the Public Administration Act, cf. § 19.

Yours faithfully,

Odd Konrad Dale by authority  
Senior Surveyor

Per Otto Årland  
Senior Surveyor
