

# MATERIAL DECLARATION

KONGSBERG

## Type 1: SELF DECLARATION

|                                |  |                                  |               |
|--------------------------------|--|----------------------------------|---------------|
| Material Declaration ID Number | 377550/A   | Date of Declaration (yyyy-mm-dd) | 2012-11-12    |
| Company Name                   | Kongsberg Maritime AS  |                                  |               |
| Division Name                  | Subsea, Fishery  |                                  |               |
| Address                        | Strandpromenaden 50, P.O. Box 111, N-3191 Horten, NORWAY       |                                  |               |
| Contact Person                 | Olav Vittersø  | Telephone Number                 | +47 3303 4100 |
| Email Address                  | <a href="mailto:subsea@kongsberg.com">subsea@kongsberg.com</a> | Fax Number                       | +47 3304 2987 |

| Product Name | Product Number | Delivered Unit | Delivered Unit | Product Information         |
|--------------|----------------|----------------|----------------|-----------------------------|
|              |                | Mass           | Unit           |                             |
| GPT 120 kHz  | EK6-202591     | 4.5            | kg             | General Purpose Transceiver |

This materials information shows the amount of hazardous materials contained in one (1): **Unit**

| Table  | Material Name  | Threshold Level              | Present above threshold level? (Yes/No) | If Yes Material Mass | If Yes Material Unit | If yes, Information on material / where it is being used. |  |
|--|--|------------------------------|---|----------------------|----------------------|---|--|
| <b>Table A</b><br>(Materials Listed in Appendix 1 of the Convention) | Asbestos   | No threshold Level           | No                                      |                      |                      |   |  |
|  | Polychlorinated Bipenyls (PCBs)                                  | 50 mg/kg.                    | No                                      |                      |                      |   |  |
|  | Ozone Depleting Substances                                       | Chloroflourocarbons (CFCs)   | No threshold Level                      | No                   |                      |   |  |
|  |  | Halons                       |   | No                   |                      |   |  |
|  |  | Other fully Halogenated CFCs |   | No                   |                      |   |  |
|  |  | Carbon Tetrachloride         |   | No                   |                      |   |  |
|  |  | Hydrochlorofluro-carbons     |   | No                   |                      |   |  |
|  |  | Hydrobromofluro-carbons      |   | No                   |                      |   |  |
|  |  | Methyl Bromide               |   | No                   |                      |   |  |
|  |  | Bromochloronethane           |   | No                   |                      |   |  |
|  | Anti-fouling systems containing organotin compounds as a biocide | Tributyl Tins                | 2500 mg total tin/kg                    | No                   |                      |   |  |
|  |  | Triphenyl Tins               |   | No                   |                      |   |  |
|  |  | Tributyl Tin Oxide (TBTO)    |   | No                   |                      |   |  |

| Table  | Material Name   | Threshold Level    | Intentionally added above threshold level? (Yes/No) | If Yes Substance Mass | If Yes Substance Unit | If Yes Detailed Substance Information Required |
|--|---|--------------------|---|-----------------------|-----------------------|--|
| <b>Table B</b><br>(Materials Listed in Appendix 2 of the Convention) | Cadium and Cadium Compounds                           | 100 mg/kg          | No  |                       |                       |  |
|  | Hexavalent Chromium and Hexavalent Chromium Compounds | 1000 mg/kg         | No  |                       |                       |  |
|  | Lead and Lead compounds                               | 1000 mg/kg         | Yes   | 10                    | g                     | Leaded solder                                  |
|  | Mercury and Mercury Compounds                         | 1000 mg/kg         | No  |                       |                       |  |
|  | Polybrominated Bipenyls (PBBs)                        | 1000 mg/kg         | No  |                       |                       |  |
|  | Polybrominated Dephenyl Ethers (PBDEs)                | 1000 mg/kg         | No  |                       |                       |  |
|  | Polychloronaphthalenes (Cl=>3)                        | No threshold Level | No  |                       |                       |  |
|  | Radioactive Substances                                | No threshold Level | No  |                       |                       |  |
|  | Certain Short Chain Chlorinated Parafins              | 1%                 | No  |                       |                       |  |
