

DET NORSKE VERITAS

STATEMENT OF COMPLIANCE

This Statement consists of 2 pages

This is to confirm that the product
Dynamic Positioning Simulator

and type designation
K-Sim DP

Manufactured by
Kongsberg Maritime A/S
Bekkajordet 8A,
Horten, Norway

is found to comply with
Class A- Standard for Certification of Maritime Simulators No. 2.14 January 2011

Application
The above Standard is based on requirements in the STCW Convention, Regulation I/12.

This Statement is valid until **2018-11-29**, provided the requirements for the retention of the Statement will be complied with.

Issued at Horten on 2013-11-29

Nils Gunnar Bøe
Head of Section

for Det Norske Veritas AS

Lars Markusson
Surveyor

This Statement is subject to terms and conditions overleaf. Any significant change in simulation performance may render this Statement invalid. If any person suffers loss or damage which is proved to have been caused by any negligent act or omission of Det Norske Veritas, then Det Norske Veritas shall pay compensation to such person for his proved direct loss or damage. However, the compensation shall not exceed an amount equal to ten times the fee charged for the service in question, provided that the maximum compensation shall never exceed USD 2 million. In this provision "Det Norske Veritas" shall mean the Foundation Det Norske Veritas as well as all its subsidiaries, directors, officers, employees, agents and any other acting on behalf of Det Norske Veritas.

Application/Limitation

The instructor and assessor facilities has reduced possibilities to set the exercise to any position in the replay and let the learner start over from the set time.

When real equipment is interfaced, it might not be possible to playback all data in the same application. It is acceptable to have a video logger that is able to save screens and data from other systems provided that this can be synchronised and displayed in the playback.
